

**Proposed Performance Measures for the South Dakota
Department of Agriculture (SDDA) to the
Legislative Planning Committee**

9/19/2016

1. Measurement of SDDA assistance to South Dakota counties to increase counties' fire protection capabilities.
2. Measurement of SDDA work on combating mountain pine beetle in the Black Hills.
3. Number of hosted event days on the South Dakota State fairgrounds in Huron.
4. Measurement of state investment versus non-state investment in industry service programs.
5. Measurement of overall expansion of agricultural production in South Dakota.
